### Conditions of Membership of Green Door

Established in 1995, Green Door is a self-managed, not-for-profit group of practicing, independent contemporary artists from South Lakeland and the surrounding districts. Through our organisation, we provide exhibition, networking and professional development opportunities for all members. Artists work to their own agendas, exhibiting as individuals as well as in smaller groups or as a whole group.

Green Door is engaged in, and committed to, making contemporary art accessible to both residents of, and visitors to, South Lakeland and the surrounding area. As a co-operative, the group relies on the time and goodwill of members to make things happen and take an active part in running the organisation.

As a member, I understand that I am entitled to:

- Receive regular emailed information about the group's activities, events and opportunities.
- Participate in an annual programme of events run by the group.
- Contribute to the programme planning and delivery of the annual events programme (additional fees may be payable to participate in some events).
- Attend the Annual General Meeting.
- Join in social, professional and networking events held by the group.
- The inclusion of my details on the Green Door website, with a link to my website, if available.

In return, I undertake to:

- Pay an annual subscription due on 1 April each year.
- Take an active role in the running of the programme of events and/or management and development of the Green Door group, by joining one of the working groups or by working to support the group's activities.
- Pay my annual subscription, and any other amounts due to the group, promptly.
